

*Who is your ultimate trust in?  
God or Man*

Seek ye first MEANS ask God first (in everything)

#243

Matthew 7:8\* For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened.

Luke 12:28\* If then God so clothe the grass, which is to day in the field, and to morrow is cast into the oven; how much more will he clothe you, **O ye of little faith.**

We ask the Lord for wisdom and knowledge, then we turn to MAN and HIS writings for the answers. We read in the bible where it says, "We need not that man teach us," and also where it says, "WE have the mind of Christ."

1John 2:27, 1Corinthians 2:16.

The Holy Spirit promises to bring things BACK to our remembrance, whatsoever he has spoken to us, this means that as we have read the scriptures, read good testimonies, some sermons, etc.

"JUST REMEMBER" the bible is the word of God and is the ultimate authority, COMMENTARIES are MANS interpretation and the Lord will use some of it or them to confirm what he has already taught you. But BEWARE, many people who say they believe the bible, are so hung up on man that instead of trusting the Holy Spirit to lead them, they believe everything their commentary says because it is included in their bible. The more religious one is, the more they will argue that their commentary is right. Just a word of WARNING though, if you have to argue that your right, YOU ARE WRONG TO START WITH.

James 1:6\* But let him ask in faith, **nothing wavering.** For he that wavereth is like a wave of the sea driven with the wind and tossed.

Matthew 7:11\* If ye then, being evil, know how to give good gifts unto your children, **how much more shall your Father**

which is in heaven give good things to them that ask him?

In essence, the scripture says that we are to ask God for wisdom and that at the mouth of two or three witnesses let everything be established and not just your commentary, or the so called educated world, because you think it is right. Spirit dyslexia is rampant in the religious society today.

Dyslexia - *a general term for disorders that involve difficulty in learning to read or interpret words, letters, and other symbols, but that do not affect general intelligence.*

IN OTHER WORDS: You read the word, but your own intellect and tradition translates it to what you have been taught. Tradition is a powerful force, why do you think Jesus warned us not to get caught up in the tradition of man.

Mark 7:8\* For laying aside the commandment of God, ye hold the tradition of men, as the washing of pots and cups: and many other such like things ye do.

Colossians 2:8\* Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ.

Today, many people use logical reasoning to try to discredit God's Word. But Jesus said, "They err because they do not know the scriptures." Therefore, their arguments have no merit; only mans reasoning.

**TRUST THE WORD:** Matthew 7:8, John 14:13, Ga 1:20:

Faith is believing and trusting God;  
Logic is believing and trusting Man;

I trust this answers your question
