

The USA have in God we Trust on their money and One Nation under God in their Allegiance. WHAT does CANADA have?

I will include a letter from Albert Kienle that is very informative on the:
History of Canada and Christianity

On July 1, Canada will celebrate her 141st birthday. Every nation has its own true nature, a word view, a set of core values. This DNA defines its national identity, sets a course for the future, and gives the populace direction. **Canada has the rich Christian heritage of many explorers and missionaries as its DNA.**

Viking Lief Ericsson converted to Christianity in 1003 AD, wintered in Newfoundland in 1004, and was the first known white man to present the gospel of Jesus Christ to Canada's native people.

John Cabot, the official discoverer of Canada, landed on and claimed Newfoundland for God and England in 1497.

French explorer **Jaques Cartier** founded Montreal in 1533 and later wrote, "We all kneeled down in the company of the Indians with our hands raised toward Heaven yielded our thanks to God".

Samuel de Champlain, it is written that his devotion to his God, his country and his task marked him as truly one of the brightest of historical figures in the world.

Frontenac, a governor of early Canada and a French Protestant, committed himself to extending the Empire of Jesus Christ throughout all this land.

When reading Psalm 72:8, "He shall have dominion from sea to sea," the thought occurred to **Samuel Leonard Tilley**, one of the 33 fathers of confederation and a committed Christian, to add this to Canada's future.

A letter from **John A. MacDonald** explained to Queen Victoria that this was a tribute to the principles they earnestly desired to uphold. A plaque in Charlottetown referring to the Fathers of Confederation says, "Providence being their guide, they builded better than they knew,"
Canada's coat of arms stands on Psalm 72:8.

Even the school systems were positively influenced.
Bishop John Strachan, founder of Ontario's school system, acknowledged. "You cannot divorce religion from education because school's

It will will inevitably reflect the philosophical and religious or irreligious biases of those who direct them."

The House of Commons foyer has four biblical creatures carved in stone, the face of a Man, a Lion, an Ox and an Eagle.

There are scriptural carvings in the cabinet room and opposition board room.

The Peace Tower Memorial is replete with scriptural references. Over the Speaker's chair is a crucifix and carved into it among other maxim, is "Laus Deo --- Praise to God".

Canada is designed as a dwelling place and a gathering place for the nations. We cannot impose a state religion, or one's religious point of view. But that doesn't mean we should be lax in the practice of our faith by ignoring, discrediting, or denying our Christian heritage. To do so, we not only discredit ourselves but weaken our very foundations.

Albert Kienle

Canada has taken the lead of the USA in banning prayer and any form of Christian doctrine from public schools. You can talk about all the false Gods, like Buddha, Ala, Krishna etc. and it's OK, just don't mention Jesus.

Canada has taken the New Age Religion philosophy: You can't call sin, sin, because you might offend someone, or say JESUS is THE way THE truth, and NOBODY comes to the FATHER but by HIM. **John 14:6**

This is grounds for a lawsuit, and by the way -- this new age religion will be headed by the false prophet recorded in **Rev 16:13**.

Satan has influenced many politicians, one of his biggest ambassadors in the last 60 some years for Canada was Pierre Trudeau.

It won't be that many years that the ones that stand for Jesus will have to give up their life for their testimony. **Rev 20:4**, the Muslim fascists are now calling for the death of all Christians and Jews. This is exactly what the Beast or Anti Christ will do in the great tribulation period (7 1/2 years of rule).

If we have excepted the cross and the shed blood of Jesus for the remission of our sins and are his follower. Then we will escape the tribulation period and will be taken out or rapture as recorded in **1Th 4:15-18**.

If we can't live for the lord in this day and age, what makes some think they'll have no problem in the tribulation.

Trust this gives some insight
