#340   Fairy Tales or Doctrines of Devils

1Timothy 4:1* Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;

Over the years **SATAN**, has been continually seducing mankind to water down the word of God by bringing in damnable heresies.

Our spiritual battle ground is the **MIND**, why do you think God says in Romans 12:2* And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.
Ephesians 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

You see, Satan **ALWAYS** uses a measure of truth. He will try to surround the truth with lies, fairy tales and missed truth.
When I was a child, there was the fairy tale of **SANTA CLAUSE,** to take the place of the birth of Jesus (who paid the price for our redemption to the Father), this is Salvation and divine Healing. The church (through doctrines of Demons) has emphasized Salvation, but not healing. **IN ACTUALITY**, the price Jesus paid on the cross was for both Salvation and Healing, as we read the scriptures, we find that the early church, as well as Jesus's ministry. People came to them for healing and then the healing produced faith for Salvation, the two are equal, but man has emphasized Salvation as the greatest miracle and healing is only for those that have great faith. The bible teaches that it is exactly the same measure of faith (the size of a grain of mustard seed).

The next great fairy tale from my childhood, is **THE EASTER BUNNY.** Satan has tried to replace Jesus's death on the cross and his resurrection from the grave three days and three nights after his burial. (Do the math.) and don't forget that Gods time is from sundown to sundown? Genesis 1:5 And the evening and the morning were the first day.

Now when I was growing up, we were always taught that we celebrate Christmas to remember Jesus birth and why he came to earth and took on the form of man.
We celebrate Easter to remember Jesus's death on the cross and his resurrection from the grave and WHY.
We also believed in Santa Clause, but before I started school, I was told that Santa was only a fairy tale, the same thing with the Easter Bunny.

You say, why did you share this? The reason I share this is because the last couple of generations, as a whole, were never taught the true meaning of Christmas and Easter as a little child. Most of them learned as they grew older that Santa and the Easter bunny are fairy tales.
The majority of the 40 year olds and under have no knowledge of what it means to know what **NO** means and the consequences of not obeying. Let alone, knowing that what they believe, will determine their destination after death, **HELL** or Heaven.
You see, under political correctness You are not allowed to tell anyone the gospel and the way to Heaven, but to share any other religion and cement your way to eternity **IN HELL**, is OK.

There are many, many more misconceptions or fairy tales that are taught through denominational churches, and I feel the biggest fairy tale yet, is that man had to write all these new versions of Gods word, so that they can understand Gods word.
If you have a person that continually lied or only told half truths to you, you would try to not have anything to do with them. **AND YET** these new versions of the bible will change the meaning or totally eliminate verses such as the great commission. **AND YET** Christians will argue that it doesn't matter, its close enough. Well, the **ONLY** place I know of where close enough counts, **IS HORSESHOE.**
For those of you that disagree, please, for your own spiritual benefit, read and use the **OLD KJV.** as a backup so you can know what God is saying and see where a different meaning has consequences.
