Why Food for Thought

Some time ago, the Lord directed me to re-start up our charitable organization that we had many years ago, before the Multiple Sclerosis hit.

Like the person I am, I wrestled with the Lord, just as to why it wouldn't work and my speech and balance are not up to par and so on.

He was very patient with me and reminded me, that He had ordained and called me for an end time ministry. An Apostle, which according to the dictionary is :

3.a. One who pioneers an important reform movement, cause, or belief,

Which in my case is warn disciples to let go of there man mad traditions (denominations) and put there trust and faith in God and God alone.

As to my speech and balance, He gave me this scripture:

1Corinthians 1:26/31 **For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called:**

But God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the things which are mighty;

And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are:

That no flesh should glory in his presence.

But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption:

That, according as it is written, He that glorieth, let him

glory in the Lord.

I know that in today's society, the Christian assemblies are so afraid that their members might be offended. That their doors are closed to anybody that is not from their denomination or elegant in their operation of ministry. We are to share the word of God not just our word, but God's word is truth And it will never return unto Him void.

Isaiah 55:11 So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.

The word of God will do either one of two things.

1/ It will either PRICK the heart - which brings repentance or confirmation to what he has revealed to us.

2/ It will CUT the heart - which brings frustration, unbelief and anger.

Or/ nothing at all, depending on our receptiveness.

Some 30 years ago I used some Thoughts in my adds and wrote down many more. I didn't know why at the time but continued collecting them over the years.

In 2001 The Holy Spirit directed me to put scripture to these Thoughts and send them out as Food for Thought daily Inspirational. This we do via e-mail. They are sent out five days a week, Monday through Friday.

We also send out a story that we feel has a testimony or moral and these we copy off the computer or books or wherever. They are stories written by others that we feel should be shared.

This is something I can do, with no repercussion as to my speech or balance.

I also give scripture based advice to questions I receive and this is done via computer or phone. The Food for Thought goes out, almost around the world.

I love to share and discuss the word of God and apply it to our daily living and problems. I always pray and ask the Holy Spirit to bring to my remembrance the scripture He wants me to use when I share or give advice.

Most times He brings the scriptures so fast, that my head seems to get overfilled and I have to take a break. MIND YOU, IT DON'T HELP THAT I AM DOWN TO ONE FINGER TYPING, but I can still type.

John 14:26 But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.

I have always believed that is why a christian should read and reread the bible as well as on top of your bible studies.

Because the bible is God talking to us.

How can He bring something to your memory if you have nothing to bring up.

This is one segment of what our ministry is about.

The main essence of our ministry is: To be a stepping stone for others in the stairway to heaven. This has always been my desire ever since I felt the call of God in my life.

If you really stop and think about it, a step or rung on a ladder gets stepped on and most don't even realize they left some of their problems (dirt like on shoes) and went on to the next step a little lighter or cleaner.

Isaiah 63:13 That led them through the deep, as an horse

in the wilderness, that they should not stumble?

Our desire is not only to help people spiritually but physically as well

James 2:16 And one of you say unto them, Depart in peace, be ye warmed and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit?

We help feed, cloth, house and spread the gospel in Africa, Mexico, New Guinea, Europe, USA and Canada. As God confirms a need to us, we will take the appropriate action and God always supplies the means.

We know that through the word of God and through the worldly events, that Christ will come soon, probably within this generation. (He said we would know the season). The prize that Paul talks about is the rapture of the church and not all so called Christians will be raptured. The parable of the ten virgins, (Christians) five were wise & five were foolish. Our ministry is to help even the foolish to be watching and ready. You say God will not differentiate between those that call themselves Christians. DON'T BANK ON IT . Read the word, pray and judge yourself, but don't be self righteous about it.

Ezekiel 34:17 And as for you, O my flock, thus saith the Lord GOD; Behold, I judge between cattle and cattle, between the rams and the he goats. God is the judge.

God Bless
Bro. Ken

Here is a little story that is meant as a joke - or is it.

WALLS OF JERICHO

A minister was touring the Christian school in his parish and thought he would question one of the students. He asked little Johnny, "Who tore down the walls of Jericho?" Johnny replied, "It wasn't me, I didn't do it!"

He approached the teacher with Johnny's comment and the teacher replied, "If Johnny said he didn't do it, he didn't do it. I've known Johnny ever since he was born and he doesn't lie!"

Then the minister approached the principal as this really bothered him. The principal replied, "I've know both the teacher and Johnny for many years and if they said he didn't do it, I believe them!"

The minister then took the matter before the School Board as this being a Christian School he was concerned about the teaching curriculum. The Board replied with, "If the teacher and the principal believe that Johnny didn't do it, we'll stand behind them!"

By this time the minister was really concerned so he thought he'd take the matter up with the Bishop. After explaining the matter to the Bishop. The Bishop replied,

"Tell us what the cost of damages were, we'll just pay it and keep it quiet! "

=====

Then there was the vision
